

Sheena Is a Parasite

The Horrors

Advisory - the following lyrics contain explicit language:

Sheena is a champion of self-reliance
As soon as she needs it she knows just where the knife is
Her fingers aren't so fast anymore
It's been 29 years since she came to these shores
Sheena is a parasite
Sheena is a parasite
Sheena is a parasite
Send her back to the sea, they cried
But Sheena spat bile 'til they let her lie
She claims she's working for the Lord
But you know what she's looking for
Sheena is a parasite
Sheena is a parasite
Sheena is a parasite
Sheena is a parasite
Sheena's ambition sneers at your routine
And behind that glass she sits, cold
If Sheena was buried, no one would care
She hates everyone, she knows no one
Sheena is a parasite
Sheena is a parasite
Sheena is a parasite
Send her back across the sea
Back across the sea
