

# Don't Gimme the Funk

## Scooter

Coming up strong with the microphone  
This is the spirit that turns me on  
Radical rhythms you've never known  
One, two, one, two, three, fourThe cool crew is back  
Here is the next attack  
We like to go that way  
We don't care what they saySo come, get it now  
I wanna shout it out  
Time will never stop  
So let's start it upWe don't let you down  
I wanna go for  
We don't let you down  
I wanna go forLets go, turn around  
Don't want it no more  
We don't let you down  
Don't gimme the funkYeah, come on  
Party, yesWe know we are respected  
All the things expected  
We don't care about  
Just play it loudWe don't let you down  
I wanna go for  
We don't let you down  
I wanna go forLet's go, turn around  
Don't want it no more  
We don't let you down  
Don't gimme the funkYeah  
Don't gimme the funk  
YesEverybody start walking in the air  
Throw your hands in the atmosphere  
I'm gonna grab the mic for your delight  
So let's go out for the nightKeep it up, alright now
