System of a Down

Tell the people
Tell the people that arrive
Tell the people
Tell the people
Tell the people that arriveWe don't need to multiply
We don't need to multiply
We don't need to multiply
We don't need to multiplyDie!Show your people
Show your people how we died
Show your people
Show your people
Show your people to nullify
We don't need to nullify

We don't need to nullify

We don't need to nullifyNo need to nullify

No need to nullify

No need to nullify

We don't need to nullifyDie!We don't need to

We don't need to

We don't need to

We don't need to Ask your people

Ask your people what is right

Ask your people

Ask your people what is rightWe don't need to multiply

We don't need to multiply

We don't need to multiply

We don't need to multiply No need to multiply

No need to multiply

No need to multiply

We don't need to multiply
