Elevated Man

Goatsnake

Shape shifting we begin to form
At the bottom of the sea
Once a man begin to roam
Monkey man in the treesAhhhhhhAnd we let go with some soul
Elevated man
And we let go with some soul
Elevated man
We let go with some soul
Elevated manBurnin' free smiles line the fire
Caveman's empty
Human woman
Like a monkey to the trees
And we let go with some soul
Elevated man
And we let go with some soul
Elevated man
We let go with some soul
Elevated manHey oh
Hey oh
Hey alrightHey oh
Hey oh
Hey ohFell back to Earth
Half an outer-space man
Long the wake lose my way
Fly long elevated man
And we let go with some soul
Elevated man
And we let go with some soul
Elevated man
And We let go with some soul
Elevated man
And We let go with some soul
Elevated man
