

Miss Everything (Ft. Sean Kingston)

Sugababes

Shawty is the type who like the finer things
Flowers, cards and candy, they don't mean a thing
You gotta control her and drool her with diamond rings
When shawty starts walking she gets everybody talking like Oh, there she go right there, oh, there she go right there

Little Miss Everything, she gotta have everything
Oh, there she go right there, oh, there she go right there
I'm gonna give you everything, I love you, Miss Everything Ya see me, I'm the one that's making sexy look so easy

All the guys want this and girls they wanna be me
Fashion is an understatement, head to toe ya see I'm caking
But you wanna say, "She's mine" Ya pockets better be deep if with me you wanna creep
Nothing less than presidential suites, whoa, whoa
Ah, you know I got a driver, never heard of a 9 to 5er
Oh yes, I'm fresh to death and in the club I'll be that fire
Shawty is the type who like the finer things
Flowers, cards and candy, they don't mean a thing
You gotta control her and drool her with diamond rings
When shawty starts walking she gets everybody talking like Oh, there she go right there, oh, there she go right there

Little Miss Everything, she gotta have everything
Oh, there she go right there, oh, there she go right there
I'm gonna give you everything, I love you, Miss Everything Thing, thing, Miss everything
Thing, thing, Miss everything I like them diamonds
Like a pirate looking for treasure, I know how to find them
And you can best believe these boys, they like to buy them
So give me what I need, that Gucci, that Louis V
That's how you spell L-O-V-E, whoa Ya pockets better be deep if with me you wanna creep
Nothing less than presidential suites, whoa, whoa
Ah, you know I got a driver, never heard of a 9 to 5er
Oh yes, I'm fresh to death and in the club I'll be that fire
Shawty is the type who like the finer things
Flowers, cards and candy, they don't mean a thing
You gotta control her and drool her with diamond rings
When shawty starts walking she gets everybody talking like Oh, there she go right there, oh, there she go right there

Little Miss Everything, she gotta have everything
Oh, there she go right there, oh, there she go right there
I'm gonna give you everything, I love you, Miss Everything I can get the men with a wave of my hand
It's like this magic in my fingers I don't understand
Ya buy me the world if that would make me a scum

It's just the joy I bring, call me, Miss everything
Shawty is the type who like the finer things
Flowers, cards and candy, they don't mean a thing
You gotta control her and drool her with diamond rings
When shawty starts walking she gets everybody talking like
Oh, there she go right there, oh, there she go right
there
Little Miss Everything, she gotta have everything
Oh, there she go right there, oh, there she go right there
I'm gonna give you everything, I love you, Miss Everything
Thing, thing, Miss Everything
