Cailin

Autopilot

Well it seemed like yesterday
When the world was looking dark, it felt so cold and gray
And why the hell am I even here?
What's the purpose? All I feel is guilt and hate and fear
Yeah, yeah, yeah'Til that day you came along
My heart was empty like the soul was missing from a song
And I thought I'd loved a few, yeah
No one ever made me feel the way that you doAnd hey, little girl, look what you do
Oh, I love you
Hey little girl, I love youWell I know I'm not always right
And girl it breaks my heart when I don't have to see you cry
So many things I wanna say
Now I know that you're the reason that I'm here todayAnd whenever you're here just stay near
We'll be alright, yeah alrightAnd hey little girl, look what you do
Oh, I love you
Hey, little girl, look what you do, and you doWhen all my love starts running thin
I got you my own Cailin
Hey, little girl, I love you, I love you
Hit meI'll be alright
But I need you close please stay tonight
As long as you're here just stay near
We'll be alright, yeah alrightAnd hey little girl, look what you do
Oh, I love you
Hey, little girl, look what you do, and you doWhen all my love starts running thin
I got you my own Cailin
Hey, little girl, who I love
Yeah, little girl who I love
Hey little girl, oh I love you
