

Cry

Michael Jackson

Somebody shakes when the wind blows
Somebody's missing a friend, hold on
Somebody's lacking a hero
And they have not a clue when it's all gonna end
Stories buried and untold
Someone is hiding the truth, hold on
When will this mystery unfold
And will the sun ever shine
In the blind man's eyes when he cries? You can change the world
(I can't do it by myself)
You can touch the sky
(Gonna take somebody's help)
You're the chosen one
(I'm gonna need some kind of sign)
If we all cry at the same time tonight
People laugh when they're feelin' sad
Someone is taking a life, hold on
Respect to believe in your dreams
Tell me where were you
When your children cried last night? Faces fill with madness
Miracles unheard of, hold on
Faith is found in the winds
All we have to do is reach for the truth
You can change the world
(I can't do it by myself)
You can touch the sky
(It's gonna take somebody's help)
You're the chosen one
(I'm gonna need some kind of sign)
If we all cry at the same time tonight
And when that flag blows
There'll be no more wars
And when all calls
I will answer all your prayers, prayers
Show the world
You can change the world
(I can't do it by myself)
You can touch the sky
(Gonna take somebody's help)
You're the chosen one
(I'm gonna need some kind of sign)
All cry at same time tonight
You can change the world
(I can't do it by myself)
You can touch the sky

(Gonna take somebody's help)
You're the chosen one
(I'm gonna need some kind of sign)
All cry at same time tonight You can change the world
(I can't do it by myself)
You can touch the sky
(Gonna take somebody's help)
You're the chosen one
(I'm gonna need some kind of sign)
All cry at same time tonight All cry at same time tonight
All cry at same time tonight
Change the world
