

Like the Way You Love Me

[Sara Evans](#)

Hit me with a kiss 'cause your lips always say the right thing
Hold me in the dark 'cause your heart has got the perfect timing
The way you take my walls down
You can uncover everything
Catch me on the way down
Baby, 'cause you know I'm falling
I thought I'd seen it all

But you're proving me wrong I've been a sinner, I've been to church
Top of the world, down in the dirt
Nothing compares, no one competes
Never felt anything
Like the way you love me, oh oh
Like the way you love me, oh oh
I remember nights when I cried
And I thought that I'd die
But it's kinda funny now 'cause
You're so much better than that guy
Yeah, I thought I'd seen it all

But you're proving me wrong I've been a sinner, I've been to church
Top of the world, down in the dirt
Oh, nothing compares, no one competes
Never felt anything
Like the way you love me, oh oh
Like the way you love me, oh oh
Never felt anything, oh oh

Like the way you love me (like the way you love me), yeah yeah
Oh oh, uh oh

I've been with the devil, loved by a saint
Everything in between
Everything that you ain't

Yeah, nothing compares, no one competes, yeah (yeah, yeah) Yeah, I've been a sinner, I've been to church
Top of the world, down in the dirt
Nothing compares, no one competes
Never felt anything (never felt anything)
Like the way you love me, oh oh
Like the way you love me, oh oh
Never felt anything
Like the way you love me
