Hands Down

Dan Hartman

Hey, hey, hey, hey, hey, hey
WhooI'm painting rainbows all over the place
Now, can't you see it's my land?
And it's a fact, oh, make no mistake
You got me, hey now, you got me
Hands down(Hands down)
Ooh, you got me in a trance
(Hands down)
And all I want to do is dance, honey(Hands down)
Hey, my love is meant for you
Your love is meant for me, ooh, it's got to be
Hands downI'm not singing sweet melodies of love
So come on give me all you got, all you got
And this obsession makes me crazy 'n' wild
A feeling I can't hide, you got me
Hands down(Hands down)
Oh, you got me in a trance
(Hands down)
But all I wanna do is keep on dancin'(Hands down)
Hey, my love is meant for you
Your love is meant for me, ooh it's got to be
Hands downHands down
AhhWhoo
Whoo, this feeling's over me
Got this feeling all the way, I'm on top
WhooWhoo, it's a feeling I don't ever wanna stop
Gettin' down, gettin' down
Gettin' down, gettin' down
