Alive Again

Atmospheres

I woke up in darkness surrounded by silence
Oh where, where have I gone?
I woke to reality losing its grip on me
Oh where, where have I gone?
'Cause I can see the light before I see the sunrise
You called and You shouted
Broke through my deafness
Now I'm breathing in and breathing out
I'm alive again
You shattered my darkness
Washed away my blindness
Now I'm breathing in and breathing out
I'm alive again
Late have I loved You
You waited for me
I searched for You
What took me so long?
I was looking outside
As if love would ever want to hide
I'm finding I was wrong
'Cause I could feel the wind before it hits my skin
You called and You shouted
Broke through my deafness
Now I'm breathing in and breathing out
I'm alive again
You shattered my darkness
Washed away my blindness
Now I'm breathing in and breathing out
I'm alive again, I'm alive again
'Cause I want You, yes, I want You, I need You
And I'll do whatever I have to just to get through
'Cause I love You, yeah, I love You
You called and You shouted
Broke through my deafness
Now I'm breathing in and breathing out
I'm alive again
You shattered my darkness
Washed away my blindness
Now I'm breathing in and breathing out

I'm alive again
