

# All the Money (A.T.M.)

## The Dirty Clergy

All the money in the world can't save my love for you  
All the money in the world can't save my love for you  
All the money in the world can't save my love for you  
All the money in the world can't save my love for you

So save your stories, and save yourself  
and take your troubles to someone else  
Cause all the money in the world can't save my love for you

All your trouble in the world, it ain't worth it to me anymore  
All your trouble in the world, it ain't worth it to me anymore  
All your trouble in the world, it ain't worth it to me anymore  
All your trouble in the world, it ain't worth it to me anymore

So save your stories, and save yourself  
and take your troubles to someone else  
Cause all the money in the world can't save my love for you

(bridge)

I don't need ...no more of your honey  
Cos' your honey ...ain't sweet enough for me (just doesn't do it for me)  
So don't try, ...no no baby don't try  
Because your lyin', ...kept me up all night  
  
So don't you beg girl, and please don't cry  
for everything, will be alright  
but all the money in the world can't save my love for you
