

# Because I Love You

## Montaigne

You say horrible things  
I laugh because I love you  
And when you touch my skin  
I think  
This isn't boring I ate a salad today  
I ate one yesterday too  
You told me I was precious  
Now I think  
That I am too We slide into your bed  
And then I slide into you  
We are two moving skins  
I think  
This isn't boring  
I drive you to the gym  
And then I wait there for you  
You say to me as we  
Get home  
There's no one like you My parents feel that  
This is a waste of time  
I tell them go away 'cause  
Everything is just fine  
My friends all feel that  
I'm different around you  
I tell them all that they are wrong  
Because I love you You feel difficult things  
It's 12am I hug you  
You poured a bit of whisky  
Hey  
This isn't boring  
You know that I don't drink it  
It tastes like acetone  
Now you don't want to talk  
And I  
Feel quite alone I  
Have been a snake and  
I  
Have been a dog  
We've  
Done this for a while but

Now

It's getting hardMy parents feel that

This is a waste of time

I tell them go away

I won't admit that I am blind

My friends all feel that

I'm carrying us two

I tell them all that they are wrong

Because I love youBecause I love youMy parents feel that

This is a waste of time

I tell them go away

I won't admit that I am blind

My friends all feel that

I'm carrying us two

I tell them all that they are wrong

Because I love you
