

# That Man (Palov Ft. A.Angelidis Remix)

## Caro Emerald

I'm in a little bit of trouble  
And I'm in real deep  
From the beginning to the end  
He was no more than a friend to me  
The thought is makin' me hazy  
I think I better sit down  
'Cause like the sweetest serenade  
Bet he knows he's got it made with me  
Twisting round on a carousel  
This speeds' too much to stop  
One second I'm thinkin' I'm feeling the lust  
And then I feel a lot  
Ooh that man is like a flame  
And ooh that man plays me like a game  
My only sin is I can't win  
Ooh I wanna love that man  
Ooh that man is on my list  
And ooh that man I wanna kiss  
My only sin is I can't win  
Ooh I wanna love that man  
Now it's like I'm on a mission  
Headed everywhere  
And if it takes a little long  
And it feels a little wrong who cares?  
My baby fits the description  
And does it easily  
A little Gable, some Astaire  
When he dances I can hardly breathe  
Someone call a doctor  
Need some help to rescue me  
One second I'm thinkin' I must be lost  
And he keeps on findin' me  
Ooh that man is like a flame  
And ooh that man plays me like a game  
My only sin is I can't win  
Ooh I wanna love that man  
Ooh that man is on my list  
And ooh that man I wanna kiss  
My only sin is I can't win  
Ooh I wanna love that man  
Ooh, I'm gonna find that man  
You bet ya, I'm gonna find that man  
Ooh, I'm gonna find that man  
I'm gonna find that, I'm gonna find that man  
I'm gonna find that man  
Ooh I'm gonna love that man  
Ooh that man is on my list  
And ooh that man I wanna kiss

My only sin is I can't win  
Ooh I wanna love that man
