

The Fox in the Snow

Belle and Sebastian

Fox in the snow, where do you go
To find something you could eat?
'Cause the word out on the street
Is you are starvin'Don't let yourself grow hungry now
Don't let yourself grow cold
Fox in the snowGirl in the snow, where do you go
To find someone who will do?
To tell someone all the truth
Before it kills youListen to your crazy laugh
Before you hang a right
And disappear from sightWhat do they know anyway?
You'll read it in a book
What do they know anyway?
You'll read it in a book tonightBoy on the bike, what are you like
As you cycle 'round the town?
You're going up, you're going down
You're going nowhereIt's not as if they're paying you
It's not as if it's fun
At least not anymoreWhen your legs are black and blue
It's time to take a break
When your legs are black and blue
It's time to take a holidayKid in the snow, way to go
It only happens once a year
It only happens once a lifetime
Make the most of itSecond just to being born
Second to dying to
What else would you do?
What else would you do?
What else would you do?
What else would you do?(Fox in the snow)
When your legs looking black and blue
(Fox in the snow)
It's not as if they're paying you
(Fox in the snow)
When your legs looking black and blue
(Fox in the snow)
It's not as if they're paying you
(Fox in the snow)
(Fox in the snow)
