

Our Father

Pharrell Williams

Our Father, which art in Heaven
I'm so grateful of all the beautiful things
That You are allowing me to see
The birds, bees
The ability to do what I do
The opportunities, I know You love me right
And I think it's time and my duty to tell the world
(Jesus is my daddy, I'm tellin' you)
Won't let me fall
You watch for who I'm friends with
I got tattoos, You forgive me
You know I'm so sensitive
You know I'm chased by women
You know my mind is driven
To you my heart is given
That's right
You're the greatest
You're the greatest
You're the greatest
(Jesus is my daddy, I'm telling you)
You're the greatest, don't let me fall
They don't understand what You do for me
(Do for me)
And judging by my actions, they don't I believe
(I believe)
Not talking 'bout what I wear, where I drive or where I sleep
(Where I sleep)
I mean the ability to hear, feel and sleep
You're the greatest
You're the greatest
You're the greatest

(Jesus is my daddy, I'm telling you)
You're the greatest, don't let me fall
Thank You for my brothers
Thank You for my daddy
(Daddy)
Thank You for my mother
So happy that she had me

For that I was shown love
(Shown love)
And hearts that's filled with hatred
Thank You for my power
It won't intoxicate me
You're the greatest
You're the greatest
You're the greatest
(Cause Jesus is my daddy, I'm telling you)
You're the greatest, don't let me fall
I'm trying to teach the kids there's more than meets the eye
(More than meets the eye)
And if they keep Your ferns, then I ply and make it fly
(Ply and make it fly)
I'm not saying that I'm the fruit that the famish minded needs
(Fantasy)
But when I listen to You I know I could be the seed
You're the greatest
You're the greatest
You're the greatest
(Jesus is my daddy, I'm telling you)
You're the greatest, don't let me fall
