

Wake Up My Love

[George Harrison](#)

Here I go again
Hear that knockin', won't you let me in?
Only want that same old thing
Yet it's me here ring, ring, ring I want your love, wake up my love and let it in Well, you know it's me out here
Can't give up now, let us make that clear
All I've had's the run around
Though I'm barking like some hound I want your love, wake up my love and let it in
I want your love, wake up my love and let it in My life's been so many ways
Too much darkness gets me crazed
All around us people fight
Christ, I'm looking for some light Inside your love, wake up my love and let it in I don't have no friends of mine
Who can swing me down that vine
Not much sense in what I do
That is why I'm calling you Inside my love, wake up my love and let it in
I want your love, wake up my love and let it in
I want your love, wake up my love and let it in
