2 Fingers

David Banner

See, all we need is a couple, let's go act up
Wouldn't believe the scene up in my black truck
A couple shots of Hennessey
And if you down get down, if you ain't 2 fingers peace

Got mine, got wine to make 'em act up
I got 'em damn near naked in the 'lac truck
A couple shots of Hennessey
And if you down get down, if you ain't 2 fingers peace

You can tell by the car we's some good [unverified] stars
Quarter backin', mackin' hoes pullin' ass from the bars
Run it back to the truck, let her suck on a swish
That got me runnin' on the duck, give a fuck, she's a sista

Let her play her position and my mission is to cut
Dat really be blunt man get my dick sucked
Hut one, Hut two then she hiking my balls
Send her back to the club with your bitch on the wall, fuck boy

Got mine, got wine to make 'em act up
I got 'em damn near naked in the 'lac truck
A couple shots of Hennessey
And if you down get down, if you ain't 2 fingers peace

Got mine, got wine to make 'em act up
I got 'em damn near naked in the 'lac truck
A couple shots of Hennessey
And if you down get down, if you ain't 2 fingers peace

See the problem with my vail, he be laid don't give a fuck
He walk off in the club and puttin' yo' bitches up
But he don't really want 'em he got bitches in L.A.
And he's like I can fuck 'em [unverified] every other day

So come and get your lotion let's do some oil of olay
Girl come out to the truck or scurry yo' ass away
Hey my nigga, respect the pimp
She done have good dick you supposed to lift, fuck boy

Got mine, got wine to make 'em act up
I got 'em damn near naked in the 'lac truck
A couple shots of Hennessey
And if you down get down, if you ain't 2 fingers peace

Got mine, got wine to make 'em act up
I got 'em damn near naked in the 'lac truck
A couple shots of Hennessey
And if you down get down, if you ain't 2 fingers peace

Fuckin' that nigga bad
You lookin' for yo' miss she in the truck up on my 'lac
You whinin' and you moanin', I'm never given her no slack
You run around the corner, I run her out on the track

I never seen a girl that woke up poses like that
Or bring her nigga money and make up 100 stash
When she gets to all that chick I came to [unverified] push her packs
Everyday, till I day I'm a Mississippi mad mack

Got mine, got wine to make 'em act up
I got 'em damn near naked in the 'lac truck
A couple shots of Hennessey
And if you down get down, if you ain't 2 fingers peace

Got mine, got wine to make 'em act up
I got 'em damn near naked in the 'lac truck
A couple shots of Hennessey
And if you down get down, if you ain't 2 fingers peace

Got mine, got wine to make 'em act up
I got 'em damn near naked in the 'lac truck
A couple shots of Hennessey
And if you down get down, if you ain't 2 fingers peace
