Slipknot

Advisory - the following lyrics contain explicit language:

Black, dirty teeth, in the crease
Was the proof too good to be believed?
It's the cunt. with the tongue
Who belongs on broken knees
So far, it occurs to me that everybody in the world is afraid of me
Just one more sin and down we go
But the news is out
And I think i'm going to
Kill myself. fuck myself. or tell myself
About the only thing that matters now We bury what we fear the most
Approaching original violence
Is the silence where you hide it?
'cause I don't recognize you anymore
To each his own
Life can do with one less watered-down excuse
If this is over
You can tell me it's no use
Use- just tell me it's over Today. we will deceive our better services
Into assimilating pain from something else
Put on your face and show me why
Behind the scenes we had to simply comply
Now, the community doesn't feel any better than it used to be
I want to be a judge in a criminal case you covered up, did you cultivate?
Be yourself. not yourself. know yourself
'cause no one seems to know you now We carry what we can't control
Approaching original violence
In the silence, there's a nihilist
Who doesn't care, and never did
To each his own
Life can do with one less watered-down excuse
There comes a time when we can't take the same abuse
If this is over, you can tell me it's no use use Drug out, pissed on, everything's the same

Bitch and moan, it doesn't matter, nothing's going to change
I don't want to watch another brother fucking die so
Discarded, fallen by the side
Don't tell me it's the only way
Just another reason why you never take the bait
The trails, the scheming, the burden of the beast
Both your faces turn your back
On everything you fought to save a dream Now that it's over
When this is over We are the angels, fear to tread
Approaching original violence
We're the silence
We'll deny it,
We can't continue on like this
To each his own
Life can do with one less watered-down excuse
There comes a time when we can't take the same abuse
My god, it would've taken just one word to stay from you
Now that this is over, you can tell me it's no use
Now that this is over, you can tell me it's no use
Use just tell me it's over It doesn't matter what you say
It doesn't matter what you do
We can't continue on like this
