

Golden Ticket

Highasakite

God, if you're still watching,
There're no more happy days.
God, if you're still watching,
There's no more celebration.
Ah ooh, ah ooh, ah ooh.
Love, I need a ride.
I need a proper high.
Love, I'm on your side.
But we were never good, no. Boy can you hear me now?
I've got a golden ticket, I'm out.
Boy can you hear me shout?
I've got a golden ticket, I'm out.
I'm already gone, I'm out.
I'm already gone, I'm out. Love, I need a light.
I need a proper high.
God, I really tried.
But we were never good, no.
Ah ooh, ah ooh, ah ooh. Boy can you hear me now?
I've got a golden ticket, I'm out.
Boy can you hear me shout?
I've got a golden ticket, I'm out.
I'm already gone, I'm out.
I'm already gone, I'm out. I have been madness. I have been war.
I have been reckless. I have been sore.
I have been vibrant. I have been bored.
I have been madness. I have been war.
I live in sadness. I've got a golden ticket.
I've got a golden ticket. Boy can you hear me now?
I've got a golden ticket, I'm out.
Boy can you hear me shout?
I've got a golden ticket, I'm out.
I'm already gone, I'm out.
I'm already gone, I'm out.
I'm already gone, I'm out.
I've got a golden ticket, I'm out.
