

# Planet Earth (Single Version)

## Duran Duran

Only came outside to watch the nightfall with the rain  
I heard you making patterns rhyme  
Like some new romantic looking for the TV sound  
You'll see I'm right some other time Look now, look all around, there's no sign of life  
Voices, another sound, can you hear me now?  
This is planet earth you're looking at planet earth  
Bop bop bop bop bop bop bop bop this is planet earth My head is stuck on something precious, let me know  
If you're coming down to land  
Is there anybody out there trying to get through?  
My eyes are so cloudy I can't see you Look now, look all around  
There's no sign of life  
Voices, another sound  
Can you hear me now?  
This is planet earth, you're looking at planet earth  
Bop bop bop bop bop bop bop bop this is planet earth
