Santa Baby

Denyque

Santa baby just slip a savor under the tree for meI've been an Awful good girl
Santa baby just hurry down the chimney tonight
Santa baby a brand new car, covertable too, in blue
While I wait up for you
Santa baby just hurry down the chimney tonightThink of all the fun i've missed
Think of all the boys I haven't kiss
Next year I could be just as good
If you checked off my christmas list
Santa baby I want a yatch and really thats not a lot
I've been an angel all year
Santa baby so just hurry down the chimney tonightSanta honey one more thing I really do need
The deed to a pat in my mind
Santa baby just hurry down the chimney tonightSanta cutie and full my stockings with duplex and cheques
Please sign your name on the lines
Santa cutie and hurry down the chimney tonightCome and trim my christmas tree
With some decoration bought at Tiffany
Cause I really do believe in you
So lets see if you believe in me
Santa baby forgot to mention one little thing
A ring and I don't mean on the phone
Santa baby so just hurry down the chimney tonight
Hurry down the chimney tonight
Hurry down the chimney tonight
Hurry down the chimney tonight
Hurry down the chimney tonight
