I was like minding my business
wasnt thinking about striking up no conversation, uh uh but she had those big things and a round about
like the devil said boy hows about a little temptation, oh no she was so fine could not keep my eyes off her
it was critical even biblical like just like Delilah saidwoooooooooooooo ooh girl you so bad
woooooooooooooo but it feels so good
woooooooooooooo I aint never seen a girl so badI been like mr. perfect goodie two shoes
couldnt break me down for nothing uh uh
always knew that messing around aint worth it
till I met her well so much for my nothing nothing yeah

it was heavy like Delilah set my soul on firewoooooooooooooo ooh girl you so bad
woooooooooooooo but it feels so good
woooooooooooooo I aint never seen a girl so badHey hey hey she so fly she so bad but shes trouble
