

Try Again

Knorkator

What would you do?
To get to me
What would you say?
To have your way
Would you give up?
Or try again
If I hesitate
To let you in
Now would you be yourself
Or play your role
Tell all the boys
Or keep it low
If I say no
Would you turn away?
Or play me off
Or would you stay, oh, oh1 And if at first you dont succeed
Then dust yourself off and try again
You can dust it off and try again, try again
Cause if at first you dont succeed
You can dust it off and try again
Dust yourself off and try again, try again (and again)
Im in to you
You into me
But I cant let it go
So easily
Not till I see
Whether this could be
Could be eternity
Or just a week
You know our chemistry
Is off the chain
Its perfect now
But will it change?
This aint a yes
This aint a no
Just do your thing
Well see how it goesRepeat 1
See you dont wanna throw it all away
I might be shy on the first date

What about the next date?
Huh? Huh? Huh? Huh?
I said you dont wanna throw it all away
I might be buggin on the first date
What about the next date?
Huh? Huh? Huh? Huh?
If at first you dont succeed
You can dust it off and try again
Dust yourself off and try again, try again
Cause if at first you dont succeed
You can dust it off and try again
You can dust it off and try again, try again (and again)Repeat 1 till end
