

Having Too Much Fun

Ultimate Fakebook

I know you didn't call, but maybe you wanted to You probably figured so what, it's late and we can fight
another night I miss you a ton and I doubt you know I still don't like to be away too long But still, when I call
you it just feels all wrong, 'cause if I try to talk... CHORUS Well, I'm still the one who's gone, still the one
who's gone Feels like I'm having too much fun And I'm still the one who's gone, still the one who's gone Feels
like I'm having too much fun I know you didn't call, but maybe the thought scared you You figured I'm with
someone else now and you don't wanna die tonight But I wish you would call me- I'd tell you how I want so
much for you to come along And I will when I call you - I just feel so lost, 'cause if I tell it all... CHORUS I
thought I'd find out while I dove but now I know I don't wanna have it all if I'm gonna feel so alone CHORUS
