Heaven Denies

Demons & Wizards

I've stained the land

Millenniums I've prayed

Now I know there's no releaseSince paradise is lost

I hold a crown

I know your name

But I am just your

Fallen angel of doomThus heaven denies

Refused for all times

I am not guilty at all[Chorus]

Deadlands, wastelands

Darkness will cover my mind

And oblivion shall reign

I made up my mind

And oblivion shall reign through the night

Deadlands, wastelands

Darkness will cover my mind

And oblivion shall reignStill we are one, you and I

Realize, I did what you wanted me to The lack of pure souls and the fading light

It's me you blameFirst there was light

Then came the night

Cruel nothingnessThus heaven denies

Refused for all times

I am not guilty at all[Chorus]Hope turns to despair

There's no one in these barren lands

The lust for light

I'm sure that it will fade

It will fade

Spiritus Sanctus

The lust for light

I'm sure that it will fade

Spiritus Sanctus Eternal hell
