Anybody Out There?

Lawson

When the night comes
It's cold
And it rainsWith the lights on
It's warm
And I'm braveCan you feel it?
Can you feel it?
Can you feel my heart?
Can you feel it?
Can you feel it?
Can you feel my heart?
Oh
Is there anybody out there?
Anybody out here girl?
You save me
You take me homeThere's a fever
In the night
And it rains on meThere's an answer
In your eyes
And it's all I needCan you feel it?
Can you feel it?
Can you feel my heart?
Can you feel it?
Can you feel it?
Can you feel my heart?
Oh
Is there anybody out there?
Anybody out here girl?
You save me
You take me homeCan you feel my pain?
Feel my,
Can you feel my pain?
Feel my...Yeah
Is there anybody out there?
Anybody out here girl?
You save me
You take my homeOh
Is there anybody out there?
Anybody out here girl?
Will you save me?

Will you take me home?Oh, oh, oh
Oh, oh, oh
