

# Scott Mescudi Vs. The World (Featuring Cee-Lo)

## Kid Cudi

What up?  
How's everyone doing?  
You are now in the world I'm ruining.  
Take a minute to adjust for the wondrous cluster fuck  
Of fun and enchantment.  
I promise this some generation X shit.  
Speak for the seller who I left with.  
Parallel levels in a dark dark place.  
Tripped all you niggas to a dark dark fate.  
The guy you are with a smile upon my face.  
As the sun kisses us on the foreheads gently.  
Gentle with the drugs. Heavy with the love.  
I'ma spit this on stage, watch models fill my club.  
I wanna see more of the world  
G4 flights, now we're off to Australia.  
I wanna see more of the world.  
These are more than just words.  
These are facts from a winner. This is our journey into the horizon,  
Hope you can see that.  
If it's real to you we can meet on the other side.  
On the other side. Aye.  
This is our journey into the horizon,  
Hope you can see that.  
If it's real to you then we can meet on the other side.  
On the other side. What up? How's everyone feeling?  
I hope you understand what you're hearing.  
Take a minute to hold up for the wondrous clusterfuck,  
The darkness and evil.  
I will play the ying and the yang for ya  
And my jeans will be off with the little skinnies.  
Updated. Fitteditted to the T.  
Work hard.  
Makin' sure I don't become my memory.  
Hard to press on when the memories remember me  
And they always find the perfect moment.  
High speed. I'm a minimal storm I'm lost in the wind.  
I've lost all my friends.  
Maybe they were never meant to be acquainted.  
Money seems to make everything tainted.

Everybody mad cause they stuck.  
One room less.  
Took what I wanted  
And I did it all blunted. Oh oh. This is our journey into the horizon,  
Hope you can see that.  
If it's real to you, we can meet on the other side.  
On the other side, aye.  
This is our journey into the horizon,  
Hope you can see that.  
If it's real to you then we can meet on the other side.  
On the other side. Ah, Ah, Ah, Ah,  
Ooh oh oh oh This is our journey into the horizon,  
Hope you can see that.  
If it's real to you, we can meet on the other side.  
On the other side, aye.  
This is our journey into the horizon,  
Hope you can see that.  
If it's real to you then we can meet on the other side.  
On the other side. This is our journey into the horizon,  
Hope you can see that.  
If it's real to you, we can meet on the other side.  
On the other side, aye.  
This is our journey into the horizon,  
Hope you can see that.  
If it's real to you then we can meet on the other side.  
On the other side.
