

I Imagine

Minimal Compact

Take me somewhere, where's my travelling case?

I Imagine, I Imagine

I am looking for a brand new space

I Imagine, I Imagine

Tell me nothing, when we are so...

I'll step out...

Will you return, will you go and travel? Write me of the beauty and beasts you've discovered

Found yourself another place to fall, to hold, to fall

Found yourself another place to fall, to hold, to fall Losing sleep but I'm feeling well

I Imagine, I Imagine

Open border to a different world

I Imagine, I Imagine

Tell me something, where we are?

So I'll step out

One step down and one step un

Found yourself another place to fall, to hold, to fall...
