

# Stand My Ground

Brian Courtney Wilson

when the enemy comes in like a flood and the troubles of this life begin to weigh me down.

i decided not to give way to the fear.

i discovered that your presence means my help is near.

i'

Il stand my ground and i will worship you!

i'

m moving forward.

nothing will be the same!

my hope is built on you lord, because you'

re mighty to save!

i'

Il stand my ground! (anybody wanna stand in here) i'

Il worship you! (anybody wanna worship) i'

Il stand my ground!(i'

Il stand my ground)

i'

Il worship you! (come on clap your hands)

anybody wanna stand and worship him tonight?

when the enemy comes in like a flood and the troubles of this life begin to weigh me down.

i decided not to give way to the fear.

i discovered that your presence means my help is near.
