Alcatraz

Eric Hutchinson

Wheels on the road
Feels so alive
King of the West
Prince of the night
Tracing the coast
Burning the gas
Driving all night till AlcatrazSo get up get up get up get up
I'm gonna see where this takes me
So get up get up get up get up
I'm gonna give with the flow
So get up get up get up get up
You can love me or hate me
I don't need a reason to have somewhere to goThese little towns
All flying fast
Space in between
Me and the past
Street lights are on
Maybe it's fake
End of old shadows
My patron saintsSo get up get up get up get up
I'm gonna see where this takes me
So get up get up get up get up
I'm gonna give with the flow
So get up get up get up get up
You can love me or hate me
I don't need a reason to have somewhere to go
I don't need a reason to have somewhere to goAnd I'm still in love with her
She was all I ever had
But I'm breaking away from east LA
And I won't stop until AlcatrazI said goodbye but I didn't really mean it
I said goodbye but I didn't really mean it
I said goodbye but I didn't really mean it
I said goodbye but I didn't really mean itSo get up get up get up get up
I'm gonna see where this takes me
So get up get up get up get up
I'm gonna give with the flow
So get up get up get up get up
You can love me or hate me
I don't need a reason to have somewhere to goI don't need a reason to have somewhere to go

I don't need a reason to have somewhere to go
I don't need a reason to have somewhere to go
