

I'm Just a Killer for Your Love (2012 - Remaster)

Blur

I heard a man who had no lungs
He took me in and made me lunch
Told me how I'd lost a friend
He smiled at me, it was the end And I said
"I'm just a killer for your love
I'm just a killer for your love
I'm just a killer for your love
I'm just a killer for your love" I cut my hair off in the road
I tear my coat off, drop my load
Wipe my hands on the grass
'Cause now I know nothing will last And I said
"I'm just a killer for your love
I'm just a killer for your love
I'm just a killer for your love
I'm just a killer for your love"
