

# Sunscreen

Ira Wolf

I want someone  
To remind me to wear sunscreen  
And take my vitamins when it slips my mind  
I want someone  
Who knows how I like my coffee  
And wants to share a bed from morning to night  
But I'm stubborn  
Selfish  
Easily jealous at times  
I'm hard to love  
And I just want someone  
To try  
I want someone  
Who knows that I'm not made for mornings  
And doesn't scold me for smoking when I drink  
I want someone  
Who listens when they've heard the story  
And gives me enough space to breathe  
Coz I'm stubborn  
Selfish  
And easily jealous at times  
I'm hard to love  
And I just want someone  
To try  
To try I want someone  
Who can ground me when I'm too high  
Light up the dark side of my head  
I want someone  
To share my coffee and sunscreen  
My mornings, my stories, and my bed  
Someone stubborn  
Selfish  
And easily jealous would be fine  
I won't mind  
If they're hard to love  
I just want someone  
To try
