Psychotic for You

[Start Trouble](#)

I remember laying by the pool
That was the first time I saw you
Never had the guts to let you know
That I was stalkin' youAnd so many things I've sacrificed
For a life looking in through your window light
Every night every day I need you more
Addicted to you, it's something to live forDon't leave me with these bad dreams
I wanna get in your jeans bad
You always were the best thing
That I never hadMy head explodes into
Thousands of tiny pieces
I feel my blood flow when I watch you
It brings me to my kneesAnd if you ever caught me
I wouldn't mind 'cause someone needs to stop me
And my obsession is growing stronger and stronger
Each time I watch youSo many things I've sacrificed
For a life looking in to your window light
Every night every day, I need you more
Addicted to you, it's something to live forDon't leave me with these bad dreams
I wanna get in your jeans bad
You always were the best thing
That I never hadMy head explodes into
Thousands of tiny pieces
I feel my blood flow when I watch you
I'm on my kneesAnd I'm psychotic for you
Psychotic for youAnd I went to your mom's house
She laid me down on the couch
She told me I was young and full of energy
But I knowSo many things I've sacrificed
For a life looking in to your window light
Every night every day, I need you more
Addicted to you, it's something to live forDon't leave me with these bad dreams
I wanna get in your jeans bad
You always were the best thing
That I never hadMy head explodes into
Thousands of tiny pieces
I feel my blood flow when I watch you
I'm on my knees, yeahMy head explodes into
Thousands of tiny pieces

My blood flows when I watch you
Sometimes it brings me to my kneesI'm psychotic for you
Psychotic for you
Psychotic for you
