Straight

Tsar

you sleep better when you're
you eat better when you're
you sing better when you're
you need me more when you're straight
is this the weekend?
is that your girlfriend?
she's green and innocent
you smoke her like she's incense
she's smilin'i'll wait 'til summer's over
i'll love you through october
i'll give you everything
i'll trade you anything for her
stay straight for me
stay straight for me
stay straight for me
stay straight for me
