Agent Orange (Live von der "Marooned")

Sodom

Operation 'Ranch Hand'
Spray down the death
Down on their farms
Assault against the populationSuppress by military arms
Only you prevent the forest
Legalize the war, they are deprived of their power
Eradication without lawAgent Orange
Agent Orange
Agent Orange
A fire that doesn't burnAll the marks erased long ago
Scars are healed up
Cancer creeps into their innocent souls
Memorials of flesh and bloodHave survived unlawfully punished
Poisoned till the end of their lives
Physical deformity, what medicine will help?
Still births will riseAgent Orange
Agent Orange
Agent Orange
A fire that doesn't burnGrieved weak hearts are crying
Waiting for the end
In this condition they are dying
Newborns of the damnedPreserved in test tubes for generations
Vicious circle of transmission
There's no way for reparations
Must live with chemical agent calledAgent Orange
Agent Orange
Agent Orange
A fire that doesn't burnAgent Orange, burn
Agent Orange, burn
Agent Orange, burn
