

Blue Movie Boo

Alborosie

Man a pupa rambo got di perfect shot
Futuristic thing, and no joke thing, if you're a blue movie boo, I feel in coop with you

SEKKLE

Me no want no salsa, bag of douche, they can sample me jack
No Buju gyal no susu mode, me nah go work with that
'nuff of dem a talk point
but ina bedroom flat gyal a cock up pon me conky me no go waste no talk,
me like dem belly flat and dem cuncu fat
dem could a come one by one or I could a roll in a pack,
'nuff ill because I'm white but me a go miss it and drop
man a pupa rambo got di perfect shot
pupa papÃ got di cuncu lot
pupa papÃ got di cuncu lot
mi set di program like a computer mark
sit up on my laptop and show me what you got

Blue movie boo
gyal do it again
wine come again
gal do it again
broke out again
gal come again
follow di ...

gyal do it again I just like look at you, follow me shirt, wine your body while you're deep ina di blue

Italian lover make me tell you that it glue
ladies first in my book, it's a game for two,
I'll stick to you, I'll do my magic like Kalamazoo,
take you from behind where my hand a go through (!!!)
press my lips on your breast like a naked tatoo
french kisses in abundance on a "Mercy bocÃ!"
always ina session maybe more than two
massage you like a pro like a master Shiatsu,
discover the inner treasure like ina Timbuctu
my lioness join my personal zoo
you run water like you just get flu
I'm addicted to you

Chant it!

Blue movie boo...gyal I come ina me yard with a thing pon my mind,
jag down your jeans and boss up the wine
a fatty, a gold mind and me a dollar sign

me killa with me jack, I'm chunk out with di wine
if loving is a song it have a tough line
for treaty wife she call me pupa grind
ina bedroom jam pupa spends the right time
woman get mad and a child acclaimBlue movie boo...blue movie boo
Don't make them tell you nothing
a girl that can't perform in bed a wasting our time.
