

Destroyer Of Senses

Shadows Fall

The sweet taste of self destruction
Waves of purity wash away the memoriesI keep on falling off
I keep on falling offThe agents of change will dissolveInto the fabric of our very existenceI keep on falling off
of this straight
and narrow line
The calm embrace of a sedated mindGiver of life
Destroyer of senses
I invoke!
The sweet taste of self destructionWaves of purity wash away the memoriesI keep on falling off of this
straightAnd narrow line
The calm embrace of a sedated mind
