Hope Now

Addison Road

If everything comes down to love
Then just what am I afraid of
When I call out Your name
Something inside awakes in my soul
How quickly I forget I'm YoursI'm not my own
I've been carried by You
All my lifeEverything rides on hope now
Everything rides on faith somehow
When the world has broken me down
Your love sets me freeWhen my life is like a storm
Rising waters all I want is the shore
You say, I'll be okay and make it through the rain
You are my shelter from the stormI'm not my own
I've been carried by You
All my lifeEverything rides on hope now
Everything rides on faith somehow
When the world has broken me down
Your love sets me freeEverything rides on hope now
Everything rides on faith somehow
When the world has broken me down
Your love sets me freeYou've become my hearts desire
I will sing Your praises higher
'Cause Your love sets me free
Your love sets me free
Your love sets me free
