

Lay My Body Down

Kut Klose

Let the bass kick

(I love it, I love it, I love it)

Come on

(I love it, I love it, I love it)Boy, I know that you should know by now

That when you touch me, yeah, you truly drives me wild

Go 'head, go down, boy, don't you be ashamed

This is all yours, I don't wanna feel no painI love it when, when you lay my body down

I love it when, when you lay my body downHold on real tight, baby, don't you let me go

The more you give me, the more I love you so

I won't hold back, boy, I know you're mine

And if you want me, well baby, take your timeI love it when, when you lay my body down

I love it when, when you lay my body down

I love it when, when you lay my body down

I love it when, when you lay my body downOh, when you lay my body down, my baby

Oh yeah, when you lay my body downI love it when, when you lay my body down

I love it when, when you lay my body down

I love it when, when you lay my body down
