Getting Ahead In The Lucrative Field Of Artist Man

UNKLE

Ballbuster commercial sample :The name of the game is Ballbuster!
It's a family game, fun for children,
And for adults, it's exciting!
You make strategic offensive and defensive moves
Then try to bust your opponent's balls!
It's as easy as checkers, but exactly like pool!
You're a ballbuster!
Ballbuster, a great new game from Mego!
