

Enjoy Yourself

Kylie Minogue

Enjoy it, enjoy it
Enjoy it, enjoy it
Enjoy itNever let life get you down
When your head is spinning
Feet won't touch the ground
For in this world
The good times you can't plan
You'd better take your chances while you canDon't wait 'til tomorrow
When you should be living today
Enjoy it, enjoy it
Before too long, it's too late
Don't throw the good times away
Enjoy it, enjoy itEnjoy it, enjoy it
Enjoy it, enjoy it
Enjoy it, enjoy itDon't break up inside
When every thing's too much
Don't run and hide
For nothing comes to those who will not try
You may just as well have
Kissed your dreams goodbyeDon't wait 'til tomorrow
When you should be living today
Enjoy it, enjoy it
Before too long, it's too late
Don't throw the good times away
Enjoy it, enjoy itEnjoy it, enjoy it
Enjoy it, enjoy it
Enjoy it, enjoy it
Enjoy it, enjoy itGot to loveFor nothing comes to those who hesitate
Grab your dreams before it gets too lateDon't wait 'til tomorrow
When you should be living today
Enjoy it, enjoy it
Before too long, it's too late
Don't throw the good times away
Enjoy it, enjoy itDon't wait 'til tomorrow
When you should be living today
Enjoy it, enjoy it
Before too long, it's too late
Don't throw the good times away
Enjoy it, enjoy itDon't wait 'til tomorrow

When you should be living today
Enjoy it, enjoy it
Before too long, it's too late
Don't throw the good times away
Enjoy it, enjoy it
Don't wait 'til tomorrow
When you should be living today
