What A Catch, Donnie

Fall Out Boy

I got troubled thoughts
And the self-esteem to match
What a catch
What a catch, whoa whoa whoaYou'll never catch us
So just let me be
Said I'll be fine 'til the hospital
Or American EmbassyMiss Flack said I still want you back
Yeah, Miss Flack said I still want you backI got troubled thoughts
And the self-esteem to match
What a catch
What a catchAnd all I can think of
Is the way I'm the one who charmed the one
Who gave up on you
Who gave up on you, whoa ohThey say the captain
Goes down with the ship
So when the world ends
Will God go down with it?Miss Flack said I still want you back
Yeah, Miss Flack said I still want you backI got troubled thoughts
And the self-esteem to match
What a catch
What a catchAnd all I can think of
Is the way I'm the one who charmed the one
Who gave up on you
Who gave up on youWhat a catch, what a catch
What a catch, what a catch, oh whoaI will never end up like him
Behind my back I already am
Keep a calendar
This way you will always knowI said I got troubled thoughts
And the self-esteem to match
What a catch
What a catchAnd all I can think of
Is the way I'm the one who charmed the one
Who gave up on you
Who gave up on youI got troubled thoughts
And the self-esteem to match
What a catch
What a catch
