

What A Catch, Donnie

Fall Out Boy

I got troubled thoughts
And the self-esteem to match
What a catch
What a catch, whoa whoa whoa You'll never catch us
So just let me be
Said I'll be fine 'til the hospital
Or American Embassy Miss Flack said I still want you back
Yeah, Miss Flack said I still want you back I got troubled thoughts
And the self-esteem to match
What a catch
What a catch And all I can think of
Is the way I'm the one who charmed the one
Who gave up on you
Who gave up on you, whoa oh They say the captain
Goes down with the ship
So when the world ends
Will God go down with it? Miss Flack said I still want you back
Yeah, Miss Flack said I still want you back I got troubled thoughts
And the self-esteem to match
What a catch
What a catch And all I can think of
Is the way I'm the one who charmed the one
Who gave up on you
Who gave up on you What a catch, what a catch
What a catch, what a catch, oh whoa I will never end up like him
Behind my back I already am
Keep a calendar
This way you will always know I said I got troubled thoughts
And the self-esteem to match
What a catch
What a catch And all I can think of
Is the way I'm the one who charmed the one
Who gave up on you
Who gave up on you I got troubled thoughts
And the self-esteem to match
What a catch
What a catch
