Fall Out Boy

I got troubled thoughts And the self-esteem to match What a catch What a catch, whoa whoa whoaYou'll never catch us So just let me be Said I'll be fine 'til the hospital Or American EmbassyMiss Flack said I still want you back Yeah, Miss Flack said I still want you backI got troubled thoughts And the self-esteem to match What a catch What a catchAnd all I can think of Is the way I'm the one who charmed the one Who gave up on you Who gave up on you, whoa ohThey say the captain Goes down with the ship So when the world ends Will God go down with it? Miss Flack said I still want you back Yeah, Miss Flack said I still want you backI got troubled thoughts And the self-esteem to match What a catch What a catchAnd all I can think of Is the way I'm the one who charmed the one Who gave up on you Who gave up on youWhat a catch, what a catch What a catch, what a catch, oh whoaI will never end up like him Behind my back I already am Keep a calendar This way you will always knowI said I got troubled thoughts And the self-esteem to match What a catch What a catchAnd all I can think of Is the way I'm the one who charmed the one Who gave up on you Who gave up on youI got troubled thoughts And the self-esteem to match What a catch What a catch
