

Seasons (feat. Omi)

Shaggy

[Intro: OMI & Shaggy]
Season
[?] reason Yes Mr. Lover [Verse 1: Shaggy]
 Girl you must be sent from above
 You keep me warm under the winter glove
 Your smile is colorful like flowers in the spring
 [?] thing, thing, thing
 I never meant to fall for your love
 I know you're all I'm thinking of
 This is more than a summer fling
It's only right that I put on the ring, ring, ring [Chorus: Omi]
 So, baby will you leave my sight?
 I won't be okay
 I guess it's the last time
 Let me right through every season
 There ain't no reason you can't stay
 Right through every season
 Right through every season
Right through every season [Instrumental break] [Shaggy]
 Girl, you bring me up just like the sun on the horizon
 And even when it rains I'm enlightened
 Oh, you're so sexy, with you [?]
I'm in love watching when you do your thing, thing, thing
 Girl, you make the heart skip a beat
 And any time you are in [?] sleep
 Feel like the leaves when they drop off the limbs
 [?] put on the ring, ring, ring [Omi & Shaggy]
In a world, in a world without, without your love
 I don't think I'd be able to breathe
 Out of memories when I should be dreaming
 So, baby will you leave my sight?
 I won't be okay
 I guess it's the last time
 Love me right through every season
There ain't no reason you can't stay Right through every season
 I'm loving, I'm loving you like every
 I'm loving, I'm loving you like every
I'm loving, I'm loving you like every Right through every season
 Right through every season

Girl you always on my mind
Right through every season
I need you 'till the end of time
Right through every season
You're the apple of my eye
[?] you make me feel like I can fly
[?]
