

I'm Still Loving You

Blackie & The Rodeo Kings

All these words that I wasted on you
Come back to me baby when I'm torn up and blue.
Oh yeah, another day's through, and I'm still loving you. World's frozen over, there's dark nights ahead,
Put down my troubles and I just stay in bed.
But oh yeah, another day's through, and I'm still loving you. Take down the sign from your door, and turn off
your TV
Throw away your ticket girl, there's nothing left for you to see, well I followed the light from under your door
Down your hallway where I've been before.
Oh yeah, another day's through, and I'm still loving you. break Take down the star from your door, and turn off
your TV
Throw away your ticket girl, there's nothing left for you to see, well Where are you tonight, are you going
downtown?
And who'll be holding you when my tears come down?
Oh yeah, another day's through, and I'm still loving you.
Oh yeah, another day's through, and I'm still loving you.
Oh yeah, another day's through, and I'm still loving you.
