

More Than I Deserve

Vertical Church Band

I am covered by your blood,
I'm known by You and loved,
With nothing left to prove or hide.
By your grace I am redeemed.
And my identity,
Is knowing that I am your child,
I am grateful to be called your child.O what a gift You gave,
O what a price You paid,
More than I deserve, More than I deserve.
Your constant faithfulness,
Your every promise is,
More than I deserve, More than I deserve.
You are generous and kind,
Your presence satisfies.
Calming every hidden fear,
What a selfless sacrifice.
The love that gave me life,
O Lamb of God, You brought me here.O what a gift You gave,
O what a price You paid,
More than I deserve, More than I deserve.
Your constant faithfulness,
Your every promise is,
More than I deserve, More than I deserve.More than all,
More than all the riches of this world.
More than all,
More than all the treasure I could hold.
More than all,
More than all the riches of this world.
More than all,
More than all the treasure I could hold.For no eye has ever seen,
No ear has ever heard,
The glory that will be revealed.
Every tear is wiped away,
No sorrow will remain.
The kingdoms of the earth will kneel,
For the kingdom of our God is here.O what a gift You gave,
O what a price You paid,
More than I deserve, More than I deserve.
Your constant faithfulness,

Your every promise is,
More than I deserve, More than I deserve.
More than I deserve. More than all,
More than all the riches of this world.
More than all,
More than all the treasure I could hold. More than all,
More than all the riches of this world.
More than all,
More than all the treasure I could hold.
