

Sound Asleep

The Turtles

Ba, da, da, da, da, da, da
Daytime dreamin', gettin' involved only halfway deco
Nighttime schemin', seemin' to be like I'm sound asleep
Sound asleep, spendin' my time
On a dream that I'm about to see come
Sound asleep, keepin' my mind on you
Children singing, something for all little yous and mes
Winter springing, summer or fall
Drifting away day by day, farther away
(Far away) The better I feel
Ba, da, da, da, da, da, da
Ba, da, da, da, da, da, da, da, da, da
