

Cut Off My Right Arm

Johnny Copeland

Cut Off My Right Arm - Johnny Copeland

Standing there, saying youâ€™re leaving
After all Iâ€™ve done
Youâ€™ve done make me love you
Now you wanna run
Iâ€™ve got to stop you from leaving
Look what youâ€™ve been doing

Would I take a knife baby
And cut off my right arm
Would I take a knife baby
And cut off my right arm
If I let you walk off and leave me
Thatâ€™s what Iâ€™d be doing

You canâ€™t take my loving baby
And put it on a shelf
I can find no pleasure
In anybody else
Gee, I love you
Just like I love myself

Would I take a knife baby
And cut off my right arm
Would I take a knife baby
And cut off my right arm
If I let you walk off and leave me
Thatâ€™s what Iâ€™d be doing

If you walk away and leave me
What Iâ€™m gonna do?
Right now my whole headâ€™s spinning
From the thought of losing you
I canâ€™t see myself
Just lying here without you

Would I take a knife baby
And cut off my right arm
Would I take a knife baby

And cut off my right arm
If Iâ€™d let you walk off and leave me
Thatâ€™s what Iâ€™ll be doing

If Iâ€™d let you walk off and leave me
Thatâ€™s what Iâ€™d be doing
