

Teenager in Love

Red Hot Chili Peppers

Each night I ask the stars up above
Why must I be a teenager in love?
Why must I be a teenager in love? Put me in your milling machine
I never thought you could act so mean
Now I'm wondering what to do
To see if you could love me too, girl Each night I ask the stars up above
Why must I be a teenager in love?
Why must I be a teenager in love? Each night I ask the stars up above
Why must I be a teenager in love?
Why must I be a teenager in love? Though my knee's getting weak
And my brain's getting flatter, something is near
To tell me it's been badder, I don't know just what to do
To see if you could love me too, yeah Each night I ask the stars up above
Why must I be a teenager in love?
(Why must I be a teenager in love?)
Why must I be a teenager in love?
(Why must I be a teenager in love?)
